

FOR WHAT IT'S WORTH

For What It's Worth (FWIW) is a service for members of the Oklahoma Homebuyer Education Association. We welcome your responses or other information you would like to share with us. Send items to Tricia Auberle at HomebuyerEd@okacaa.org

Many of you were unable to attend the OHEA Annual Member meeting so you did not receive the information below. While the data indicate a major contraction in homebuyer education activity, it may be more accurate to call it a "market adjustment." More and more potential homebuyers look online for homebuyer education. As we move into the New Year we may need to reconsider our service model, but our vision remains the same: through standardized quality education and counseling future Oklahoma homebuyers will be better prepared in successfully fulfilling their dreams of homeownership - thus strengthening the overall economy of local communities. Happy New Year!
